locomoson

Aujourd'hui, en plus de son activité principale, la société a évolué, en parallèle, vers le travail sur mesure. Locomoson développe et affine ses compétences dans les domaines suivants:

- Atelier de réalisations métalliques sur mesure.
- Fabrication artisanale de poignées de meuble en cuir.
- Peinture de pièces métalliques par thermolaquage.
- Réalisation de pièces par impression 3D en résine, bois et métal.

Dans ce catalogue, vous trouverez notre gamme des produits "standard", pour la plupart en stock et visibles dans notre showroom à Wavre. Pour toute demande particulière, n'hésitez pas à nous contacter sur info@locomoson.com ou +32 (0)10 88 89 68.

Nous vous remercions pour votre collaboration et nous espérons pouvoir continuer à contribuer à vos projets.

L'Équipe Locomoson

Vandaag, naast haar hoofdactiviteit, heeft Locomoson zich evenals gericht op maatwerk.

De firma blijft haar vaardigheden ontwikkelen en verfijnen op de volgende gebieden:

- Werkplaats voor metaalbewerking en realisaties op maat.
- Handgemaakte lederen meubelgrepen.
- Overschilderen van metalen stukken met poederlak.
- Vervaardiging van objecten door 3D-print in hars, hout en metaal.

In deze catalogus vindt u ons assortiment "standaard" artikelen, waarvan de meesten op voorraad zijn en zichtbaar in onze toonzaal in Waver. Voor speciale verzoeken, aarzel niet om ons te contacteren op info@locomoson.com of +32 (0)10 88 89 68.

Wij danken u voor uw medewerking en hopen steeds een bijdrage te kunnen leveren aan uw projecten.

Het Locomoson-team
